

# PD Series Dispenser/Stacker

## *Built to Last, Simple to Operate*

*The PD Series Pallet Dispensers/Stackers are simple in design and high in reliability. Our standard pallet dispenser is PLC controlled and delivered ready to run.*

*Our pallet dispenser can handle standard GMA or CHEP 48" x 40" pallets at a rate of up to three per minute.*

*We can also provide a dispenser to run your custom pallet size.*

## *Benefits*

- *Handles GMA, CHEP or Plastic Pallets*
- *PLC Controlled*
- *12 or 20 Pallet Capacity*
- *Very Robust*
- *Three Pallets/minute*
- *Easily Integrated to Other Equipment*
- *Powder Coated Finish*
- *Very Cost Effective*
- *Reliable, Simple Design*
- *Optional Integrated Pallet Conveyor*
